

Call. Connect. Relax.

Description

SENIOR NETWORK ENGINEER

America's Remote Help Desk - ARHD
"CALL, CONNECT, RELAX"

America's Remote Help Desk (ARHD) is a national Infrastructure Management and Help Desk Service provider Headquartered in MD with a strong presence in the local market. Our firm is award winning and provides a premium service offering that focuses on long term relationships with our employees and clients.

We are seeking a highly skilled and motivated **Senior Network Engineer** with demonstrated success in Infrastructure Management and Project Execution in complex environments. The candidate will troubleshoot and resolve issues with the existing infrastructure as well as recommend, manage, and implement IT solutions and projects. The qualified candidate must be effective independently or with a team.

Travel to the DC/Northern Virginia area is less than 10%.

Salary range is \$90,000-\$110,000/year. Position includes a comprehensive benefits package.

Requirements

- Must possess knowledge and experience in configuring and troubleshooting complex IT issues
- Proven ability to independently diagnose and resolve network related problems including complex routing, load balancing, connectivity and network latency issues
- Strong network engineer skill set including high level proficiency with Cisco Firewalls, Cisco Switches, Cisco Routers and Load Balancers
 - Experience with multiple Firewall platforms is a plus (Cisco, SonicWALL, Juniper, Checkpoint)
- Candidate will be proficient with Server Migrations, Active Directory and DNS, MS Exchange, Backup Storage Solutions
- Experience with VMWare Virtualization technology, MS Exchange 2007, MS Server 2008, and Email archiving preferred
- Ability to meet project deadlines consistently and on-time
- Candidate must be able to work autonomously and with minimal supervision providing customer with superior level of support
- Ability to resolve problems independently but also possess the professional judgment to utilize available resources as needed
- Ability to proactively communicate internally and externally with vendors, clients and team members in a professional and timely manner
- Be a professional and a positive team player willing to do what it takes for the team and the client.
- Minimum 5 years progressive IT experience.

We are an equal opportunity employer. For more information about our company please visit us online at www.remotehelpdesk.com. To apply, submit resume to resumes@arhd.com.
